

Collections  
**WATER  
PURIFIER**

**DIGIPURE**

- Power : 220V AC  
Booster pump : 100 GPD  
UV LED : 24V  
storage capacity : 8 Ltrs (Approx)  
Purification capacity : 12 Ltrs/h
- RO water purifier with advanced copper technology, purification by ro followed by UV, UF and ALKALINE with TDS adjuster.
  - Leads Advanced Copper technology gives the goodness of copper water. Copper is known for better digestion, heals wounds faster, beats anemia, slows down aging.
  - Alkaline cartridge effectively balances the ph levels of the water.

**MRP: 18,990/-**

**TRUEIT**

- Power : 220V AC  
Booster pump : 100 GPD  
UV LED : 24V  
storage capacity : 11 Ltrs (Approx)  
Purification capacity : 12 Ltrs/h
- RO water purifier with Advanced Copper Technology purification by RO followed by UV and added minerals with TDS adjuster.
  - Leads Advanced Copper technology gives the goodness of copper water. Copper is known for better digestion, heals wounds faster, beats anemia, slows down aging.
  - Mineral cartridge is installed after ro membrane to give soothing & sweet taste to the pure drinking water with retain contains added minerals in water as Magnesium & Potassium.

**MRP: 17,490/-**

**ION**

- Power : 220V AC  
Booster pump : 100 GPD  
UV LED : 24V  
storage capacity : 8 Ltrs (Approx)  
Purification capacity : 12 Ltrs/h
- RO water purifier with advanced copper technology, purification by ro followed by UV, UF, Zinc with TDS adjuster.
  - Leads Advanced Copper technology gives the goodness of copper water. Copper is known for better digestion, heals wounds faster, beats anemia, slows down aging.
  - Zinc, a nutrient found throughout your body, helps your immune system and Metabolism function.

**MRP: 18,590/-**

**NOBLE**

- Power : 220V AC  
Booster pump : 100 GPD  
UV LED : 24V  
storage capacity : 11 Ltrs (Approx)  
Purification capacity : 12 Ltrs/h
- RO water purifier with alkaline technology, purification by RO followed by UV, UF with TDS adjuster.
  - Alkaline cartridge effectively balances the ph levels of the water.
  - Ultrafiltration cartridge that traps suspended solids, bacteria & other Microorganisms to produce pure water.

**MRP: 16,990/-**

**AYUSH  
HERBAL**

- Power : 220V AC  
Booster pump : 100 GPD  
UV LED : 24V  
Storage capacity : 12 Ltrs (Approx)  
Purification capacity : 12Ltrs/h
- Purification by Ro followed by UV UF, Copper ,With Ayurveda technology.
  - A unique combination of 7 Ayurvedic ingredients as Cumin, Cardamom, Blackpepper, Tulsi leaves, Ginger, Cloves packed into the innovative "Ayurvedic Cartridge" to give you a refreshing taste & Aroma in your water.

**MRP: 18,190/-**

**AQUATIC**

- Power : 220V AC  
Booster pump : 100 GPD  
UV LED : 24V  
Storage capacity : 11 Ltrs (Approx)  
Purification capacity : 12 Ltrs/h
- RO water purifier with added Minerals, purification by RO followed by UV, UF with TDS adjuster.
  - Mineral cartridge is installed after RO membrane to give soothing & sweet taste to the pure drinking water with retain contains added minerals in water as Magnesium & Potassium.

**MRP: 16,490/-**

Collections **COOKTOP**

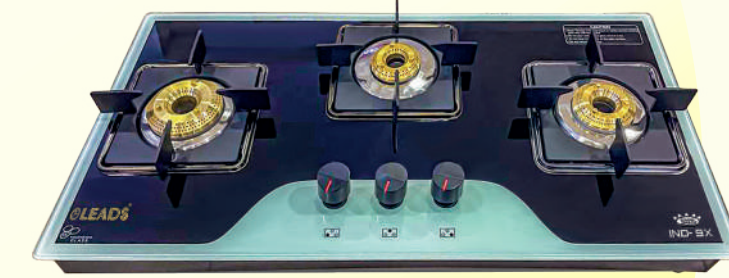

**IND-9**

- Sufficient space to cook
- Glass size – 690 x 360x 6mm
- Anti skid Rubber legs
- No of burners – 3
- Pressure: - 0.5 PSI

- 6mm thick toughened glass
- Stainless steel dip tray for easy cleaning
- 360° rotation inlet nozzle
- Manual ignition with brass valve

**MRP: 5,300/-**

**IND-9X**

- Sufficient space to cook
- Glass size – 770 x 380x 8mm
- Stainless steel dip tray for easy cleaning
- 360° rotation inlet nozzle
- Manual ignition with brass valve
- Pressure: - 0.5 PSI
- European style valve
- 8mm thick toughened glass with double colour
- Anti skid Rubber legs
- No of burners – 3
- Fancy metal knobs
- Strong ms powder coated pan support

**MRP: 8790/-**

# Collections CHIMNEY

## ELITE

- **Air Flow:** 1920 m3/h
- **Generation:** 4th generation dry clean technology & motion sensor
- **Motor Power:** 268w
- **Speed:** 4 speed touch with motion sensor technology
- **Lamp:** 2.5w x 2 • **Noise Level:** 48dB
- **Cabinet Hood:** Glass Finish
- **Body Dimension:** (LxWxH) 900x800x350mm
- **Technology:** Suction on display with room temperature. Teflon coated long baffle filter with non-breakable aluminium long oil container.

**MRP: 40,990/-**

## STATUS PLUS

- **Air Flow:** 1860m3/h
- **Generation:** 4th generation dry clean technology & motion sensor.
- **Motor Power:** 180w x2
- **Speed:** 2 speed touch with separate switch motor option & motion sensor technology.
- **Lamp:** 4w x 1 • **Noise Level:** 49dB
- **Body Dimension:** (LxWxH) 900x812x390mm
- **Cabinet Hood:** SS with non-magnetic quality.
- **Technology:** Auto open & auto close system. Suction on display with room temperature and have long non breakable aluminium oil container.

**MRP: 39,990/-**

## PRIMEX

- **Air flow :-** 1700 m3/h
- **Generation –** 4 th generation dry clean technology & motion sensor.
- **Motor power –** 190w
- **Speed –** 3 speed touch with motion sensor technology
- **Lamp –** 1.5w x 2 • **Noise level-** 48dB
- **Cabinet hood –** SS with non-magnetic quality.
- **Body dimension –** LxwxH(900x485x530mm)
- **Technology –** “T” shape attractive designed front panel with LED logo, 11 degree 2 layers double stainless steel baffle filter with non-breakable aluminium oil container.

**MRP: 34,990/-**

## SWIFT 60

- **Air flow :-** 1600 m3/h
- **Generation –** 4 th generation dry clean technology & motion sensor.
- **Motor power –** 180w
- **Speed –** 3 speed touch with motion sensor technology
- **Lamp –** 1.5w x 2 • **Noise level-** 48dB
- **Cabinet hood –** SS Black with non-magnetic quality.
- **Body dimension –** LxwxH(600x350x765mm)
- **Technology –** Auto open & auto close system with ss long baffle filter & aluminium long non-breakable oil container.

**MRP: 32,990/-**

## CORE

- **Airflow:** 1600 M3/h
- **Generation:** 4th generation dry clean technology & Motion sensor
- **Motor power:** 190w
- **Speed:** 3 speed touch with Motion sensor technology
- **Dimension:** Body dimension: (LXWXH) 900X485X500mm
- **Lamp:** 1.5w x2 • **Noise Level:** 48dB
- **Cabinet hood:** Ss with non magnetic quality
- **Technology:** Attractive designing front panel with mirror finish, 11 degree 2 layers double stainless steel baffle filter with non breakable aluminium long oil container.

**MRP: 31,990/-**

## DIVINE

- **Air Flow:** 1550 m3/h
- **Generation:** 4th generation dry clean technology & motion sensor
- **Motor Power:** 190 w
- **Speed:** 3 speed touch with Motion sensor technology
- **Lamp:** 1.5w x 2 • **Noise Level:** 48dB
- **Cabinet Hood:** SS with non magnetic quality.
- **Dimension:** (LxWxH) 900x450x460mm
- **Technology:** Attractive slim designing front panel, 2 layers double stainless steel conical filter and SS oil cup.

**MRP: 31,190/-**

## VO

- **Air Flow:** 1500 m3/h
- **Generation:** 5th generation dry clean & motion sensor technology with voice enabled system.
- **Motor Power :** 190 w
- **Speed:** 3 speed touch with motion sensor technology.
- **Voice enabled technology:** to activate the voice mode just say Hello chimney & can use commands like High speed, Low speed, auto clean, chimney off & others.
- **Lamp :** 1.5 w X 2 • **Noise level :** 48dB
- **Cabinet Hood:** SS with non-magnetic quality
- **Dimension:** (LxWxH)900x490x500mm
- **Technology:** Designing front panel with double boat filter & non breakable aluminium oil container.

**MRP: 30,990/-**

## SHARP

- **Air Flow:** 1500 m3/h
- **Generation:** 4th generation dry clean technology & motion sensor
- **Motor Power:** 190w • **Lamp:** 1.5w x 2
- **Noise Level:** 48dB
- **Speed:** 3 speed touch with motion sensor technology.
- **Cabinet Hood:** SS black mat finish with non magnetic quality.
- **Dimension:** (LxWxH) 900x812x390 mm
- **Technology:** Attractive designing front panel with mirror finish, 2 layers antipole filter with SS black coated long oil container.

**MRP: 27,990/-**

## LCX-7

- **Air Flow:** 1400m3/hr
- **Generation:** 4th generation dry clean technology & motion sensor
- **Motor Power:** 190w • **Lamp:** 2w x 1
- **Noise Level:** 48dB
- **Speed:** 3 speed touch with motion sensor technology.
- **Cabinet Hood:** Glass Finish
- **Dimension:** (LxWxH) 880x395x510 mm
- **Technology:** T shape model with double SS indent Filter & non breakable aluminium long oil container.

**MRP: 26,990/-**

## LCX-5

- **Air Flow:** 1300 m3/h
- **Generation:** 4th generation dry clean & motion sensor technology.
- **Motors Power:** 190w
- **Speed:** 3 speed touch with Motion sensor facility.
- **Lamp:** 1.5 w X 2 • **Noise level :** 48dB
- **Cabinet Hood:** SS with non-magnetic quality
- **Dimension:** (LxWxH) 900x490x500mm
- **Technology:** Designing front panel with boat filter & non breakable aluminium oil container.

**MRP: 24,990/-**

## LCX-4

- **Air Flow:** 1250 m3/h
- **Generation:** 3rd generation dry clean technology.
- **Motor Power:** 190 w
- **Speed:** 3 speed push button & easy operation facility.
- **Lamp :** 1.5 w X 2 • **Noise level :** 48dB
- **Cabinet Hood:** SS with non-magnetic quality
- **Dimension:** (LxWxH)900x490x500mm
- **Technology:** Curve front panel with boat filter & non breakable aluminium oil container.

**MRP: 23,990/-**

## GLITZ 75

- **Air Flow:** 1400m3/h
- **Generation:** 4th generation dry clean technology & motion sensor
- **Motor Power:** 190 w
- **Speed:** 3 speed touch with Motion sensor technology
- **Lamp:** 1.5w x 2 • **Noise Level:** 48dB
- **Cabinet Hood:** SS with non magnetic quality
- **Dimension:** (LxWxH) 760X485X500mm
- **Technology:** Attractive curve designing front panel with 11 degree 2 layers stainless steel conical filter with motion sensor technology.

**MRP: 29,290/-**

## TEND PLUS

- **Air Flow:** 1500 m3/h
- **Generation:** 3rd Generation Dry Clean Technology
- **Motor Power:** 190 w
- **Speed:** 2 speed Push button
- **Lamp:** 1.5w x 2 • **Noise Level:** 48dB
- **Cabinet Hood:** SS with non-magnetic quality.
- **Dimension:** (LxWxH) 900x485x495mm
- **Technology:** Attractive Designing front panel with mirror finish. 11 Degree 2 layers double stainless steel conical filter with non-breakable aluminium oil container.

**MRP: 25,990/-**

## FLAME

- **Air Flow:** 1500 m3/h
- **Generation:** 4th generation dry clean technology & motion sensor
- **Motor Power:** 190 w
- **Speed:** 3 speed touch with Motion sensor technology
- **Lamp:** 1.5w x 2 • **Noise Level:** 48dB
- **Cabinet Hood:** SS with non-magnetic quality.
- **Dimension:** (LxWxH) 600x350x580mm
- **Technology:** “T” shape attractive front panel with 11 degree 2 layers stainless steel baffle filter with non-breakable long aluminium oil container & motion sensor technology.

**MRRP: 28,290/-**
